state the following: On 08/03/99, I was at my residence at 20 Anchor Drive in the Town of Halfmoon. At about 4:30pm, I was in my bedroom with a neighbor of mine showing her how to use a video camera that belongs to me. While we were there, a car drove by my house. I recognized the car as belonging to Barbara Jeske, a former co-worker of mine and the car was being operated by Ms. Jeske at the time. Ms. Jeske has been harassing me for about 4 months, beginning after we parted company as co-workers. She has written letters to customers of mine, defaming me and has been stalking me at my residence and business. Ms. Jeske drove by my house and then came back and drove up to my mailbox. I had time to get a video cassette into the camera between the time she drove by and the time she returned to the mailbox. I videotaped Ms. Jeske drive up to my mailbox in front of my house. She stopped at my mailbox and opened the mailbox. She took out the mail that was in the box and put in different mail that was also mine. I had checked the mail earlier in the day and had taken out the bills and important mail and had left the junk mail. After Ms. Jeske left, I went to the mailbox. The mail that I had left in the box earlier in the day was gone. The mail that was in the box was mail addressed to me, but it was not the same mail that had been left there.
